Cost and Management Accounting Certificate | DCC

Thu, 11 Oct 2018 09:58:00 GMT

Cost accounting is a process of collecting, analysing and evaluating various alternative courses of action based on cost efficiency.

Management information system - Wikipedia

Wed, 10 Oct 2018 17:52:00 GMT

A management information system (MIS) is an information system used for decision-making, and for the coordination, control, analysis, and visualization of information in an organization; especially in a company.. The study of management information systems examines people and technology in an organizational context. In a corporate setting, the ultimate goal of the use of a management ...
