Background history. In 1980, the OECD issued recommendations for protection of personal data in the form of seven principles. These were non-binding and in 1995, the European Union (EU) enacted a more binding form of governance, i.e. legislation, to protect personal data privacy in the form of the Data Protection Directive.. According to the Data Protection Directive, companies operating in ...

This book is a good read for anyone interested in international politics, or how the world works (both theory and application). The Law of Nations deals largely with political philosophy and international relations, and has been said to have modernized the entire theory and practice of international law.
